John Burroughs High School
Art for the Cure ~ "Pink Ribbon" Mini-Cast
Order Form

Each Breast Cancer Awareness mini-cast has been created and designed with love and care by a JBHS Art Student. Proceeds from the sale of these amazing works of art will be donated to "Passionately Pink for the Cure", and the JBHS Art Department to help supplement the cost of the art supplies used to for this wonderful project.

Mini "Pink Ribbon" Casts measure approximately 1.5"x1.75"; however, size may vary slightly because each cast is individually handcrafted and designed. Pink ribbon motif is used on casts sold via mail order and the JBHS web store; each pink ribbon design will also vary. Every mini-cast is threaded with a pink ribbon and can be displayed as a mini work of art or used as an ornament.

Proceeds from the sales of the mini-casts will be donated to "Passionately Pink for the Cure", as well as the JBHS Art department to cover the cost of the supplies used for this amazing project.

Thank you very much for your support!
